We, the Seniors, dedicate this book to you

Miss Wakefield, in appreciation of the countless hours you have devoted to us with sympathy, understanding, and patience. Your unselfish service, unending patience, and your quiet efficiency we shall all remember. We speak in behalf of the whole student body when we express our thanks to you, Miss Wakefield, and our deepest gratitude for the many benefits of your splendid teaching. We sincerely hope that, as we go out into the world, we may live up to your high ideals and that we may be worthy of being your students.

Gladly would she learn that she might teach

For his wise guidance we express appreciation to . . .

MR. RAYMOND S. MORRILL

Our Principal

As our final year at Arlington High School nears an end we, the graduating class of 1953, wish to express our heartfelt thanks and appreciation to our principal for all he has done for us. We shall never forget the hand that guided all our activities so justly and with so much understanding and sympathy. His personal concern in our welfare has always made us look upon him as a friend and someone to turn to for help and guidance. We, the class of 1953, wish to express our sincere appreciation and thanks to Mr. Morrill, our principal.

Dear Sir

Who's wanted now?

Lest we forget our Three Years . . .

It was about 6:45 A. M., on September 10, 1950, when we, the members of the class of 1953, awoke to the realization that this was The Day—the day when we were to become high school students. We arrived outside the assembly hall an hour later and gazed into a sea of entirely new faces. A little after eight, we filed into the hall in a way that was anything but orderly. After the confusion had died down, we were greeted by Mr. Morrill, our principal, who welcomed us and then introduced Mr. Downs, Mrs. Moffatt, and the guidance counselors (little did we realize then what an important part each of them would play in our futures). Mr. Morrill told us that high school was not all play and no work and that to get something out of it, we would have to put something into it. After hearing that we would be expected to spend three or four hours a night on homework, we changed our minds about the glory of being in high school and promptly set out to invent new methods to worm our way out of doing homework, and still pass. To date, no one has succeeded at this.

After assembly, we were given directions to our homerooms and turned loose. There ensued a great turmoil and the din of high-pitched anxious voices asking, "Where's a stairway?"; "On what floor is Room 75?"; "Isn't anyone in my home room?". However, we finally found our rooms, were assigned desks, and issued a pen, pencil, math pad, and program card. Soon thereafter, the bell for the first period rang, and the turmoil was renewed. Our helpful upperclassmen directed us to elevators and other fictitious points when we asked for directions to get from one floor in the new building to another in the old; so that, needless to say, not one sophomore reached the first period on time.

"What's your excuse this time?"

Throughout the day, we saw our teachers for the first time and received books and varying amounts of homework, and our high school careers were under way.

Some of our classmates were given football suits, and, although none played regularly, we worshipped all of them. We were going along blissfully until the early part of November when report cards, the bane of our existence, were handed out. They really couldn't have been too bad, though, since the Sophomore Honor Roll was just about as long as those of the other two classes. Soon many clubs began their activities, and we were all cordially invited

"Coming late or leaving early?"

to join them. Then in rapid succession came the openings of the hockey, basketball, and indoor track seasons. There were no championship teams this year, but each team provided us with many thrills. In early spring, the Dramatic Club offered a fine interpretation of, "Meet Me In St. Louis," and the Gilbert and Sullivan Club presented a splendid production of "Pirates of Penzance," both of which saw a few of our classmates being given a chance to show off their dramatic and musical talent. Then came final exams, which were shortened to forty minutes, thus enabling

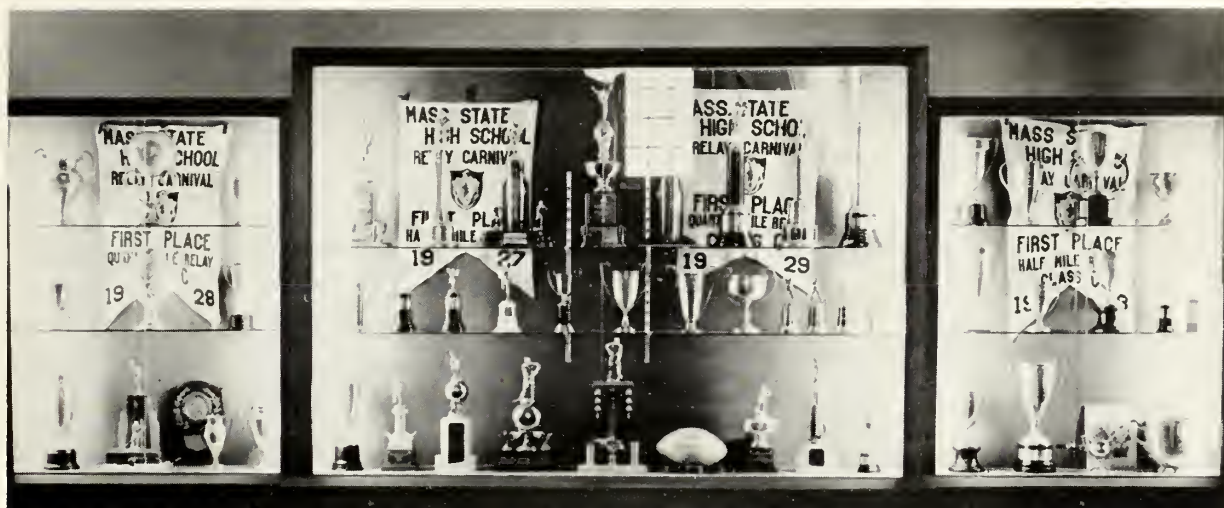

the merciless teachers to continue burdening us with homework for a few more days. Soon the year was over, but, looking back, we decided it hadn't been so bad after all.

In September, 1951, we returned to school, but this time it was different—we weren't completely lost, and we didn't need directions to the old building. To our pleasant surprise, we noted that many rooms had been repainted in pastel pinks and greens, and fluorescent lights had been installed, which would help immeasurably to brighten our spirits in dull classes. After the sophomores (poor creatures) had had their assembly and we had been issued supplies and a program, we embarked upon our second year of toilsome enjoyment at A. H. S.

We all spent a great deal of time this year in the Guidance Office discussing our marks and our futures and receiving a great deal of help from the counselors. In the way of athletic activities, this year furnished a strong hockey team, the first championship basketball team since 1929, and an indoor track team which captured the Metropolitan Indoor Track Championship and broke many records in the process. The Gilbert and Sullivan entertained us with "Blue Star Revue of 1952," and we were thoroughly amused by the Dramatic Club's presentation of "Meet Corliss Archer." The social events

"Nice try."

"Victory's reward."

of our junior year were climaxed by a very successful Junior Prom, held in the Town Hall on May 3. The last noteworthy event of the year took place at 9:00 a. m. on May 27, when many of us had to take the dread Scholastic Aptitude Test. Our one consolation after it was all over lay in the fact that we would have a chance to try it over. Early in June, we were subjected to hour-and-a-half finals, but this was the last we were to see of them. This year also produced the Chess Club and a new crop of Seniors—us.

Then came the time we had been awaiting since 1941—the Senior year. For two years we had been waiting eagerly for the chance to look down our noses at the underclassmen, homework, and teachers who assigned it. We were

"There's the ball."

in for a rude awakening, though, for we soon discovered that teachers don't respect a Senior as much as he respects himself, and would still fail one for not doing homework. Lunch period was brightened considerably by repainted walls and acoustic ceilings. For the first time in three years, we could hear our-

"Watch your calories."

selves think in the cafeteria. The football team this year was one of the best, the basketball team provided us with many thrills, and the hockey team was the best in the Greater Boston Interscholastic League.

Early in the year, we began to send in our applications for colleges, business schools, scholarships and jobs; and it was then we finally began to realize what a wonderful Guidance Department we had, and how it would have been almost impossible to accomplish anything without its patient counselling. In December, came the ROTC exams for the boys, with the highest results in Massachusetts, followed by more College Board Tests on January 10 and March 15.

A few weeks before Christmas, the entire school was saddened by the passing of Mr. Reddan, our beloved head custodian.

Driver Training courses were conducted, and many students took advantage of them. There was, however, one accident which took the life of one "Samuel I. Squirrel." It is understood that "Mrs. Squirrel" has begun court proceedings and is demanding payment of fifty nuts, which we have promised to furnish.

The anticipation of graduation set in early this year, and, besides class pic-

"But, Miss Brooks..."

tures and interviews for college, there were matters directly concerning our graduation to be disposed of. At our first class meeting, we voted in favor of maroon year book covers and caps and gowns at graduation, much to the chagrin of many of the boys. The biggest event of our three years, the Senior Prom, was held on April 23 at the Totem Pole, and, needless to say, a wonderful time was had by all. Once again our basketball team won the championship.

Early in June, we graduated, after having held a very successful Class Day. The graduation speeches, of course, were the best ever, and all in all we felt very much pleased with the fruit of our three years' labor.

However, as we left Arlington High School for the final time as students, and went out to take our places in the world, we could not help but think back—what wonderful, patient teachers we had had, how much abuse they had taken from us without administering any, and that it really would be nice if we could remain, protected from the world, just one more year in the hallowed halls of A. H. S.

"There's the ignition."

To those we leave . . .

Be it remembered that we, the graduating class of 1953, of Arlington High School in the County of Middlesex and Commonwealth of Massachusetts, being of questionable mind and health do hereby bequeath our priceless (?) possessions, as follows:

- I. To the faculty—we bequeath our sincere gratitude for all the service they have rendered us these past three years.
- II. To the Juniors—a bottle of vitamin pills to help them carry the load as Seniors next year.
- III. To the Sophomores—we leave the Juniors—as examples (?).
Individually, the members make the following bequests:

Vickie Bradford leaves a terrific job as editor of the *Chronicle* to next year's editor.

June Flannery and Nancy Pollard leave their fine job as head "twirlers" to next year's major-ettes.

Barbara Judd and Miriam Hamm "affectionately" leave the assembly piano to Sally Weston.

To "Butch" Seager, Eddie Aiken leaves the captaincy of the football team.

Janet Armstrong leaves Kay Thorpe as the new basketball star.

Ricky Power and Ike Canty leave the basketball team to Norm Peterson and Micky McLaughlin.

To Alice McMahon, Sheila Moore leaves her terrific athletic ability.

Cinny Davieau and Jack Cadagan leave their long walk home from school to Ginny Buck and "Eskie" Miller.

To Alma Porter, Priscilla Gatchell leaves her smooth good looks.

To Ginny Olsen, Audrey Call leaves her beautiful platinum hair.

Lee Reilly leaves her reputation for crazy escapades to Janet Higgins.

Barb Poirier leaves her trip to Girls' State to some deserving Junior.

Millie Monahan leaves her mittens for next year's Thanksgiving game.

Phyl Aroian leaves Mr. Downs' office.

"Sister Suzie" Saganich leaves her gift of gab to Nancy Robbins.

Marianne Wood and Vickie Bradford leave their slumber parties well behind them!

Madeline Boyce and Helen Black leave the Chem lab to next year's bowl scrubbers.

Dick Peterson and "Jo" Shea leave their long wait at the bus stop to any couple who work after school.

Mary Ann Mazzocca leaves her trumpet to the Junior who might try to equal her.

Juan Alonso leaves his perpetual and famous crew cut to Ray Pothier.

Jeanne LaFrance leaves her flair for fashion to Angela Pennio.

Pat Meehan leaves her sparkling smile to Anne Fiorenza.

Stan Clark leaves Barbie Chambers—unwillingly.

Marilyn Tufts leaves—but her Air Force Wings go with her as usual.
 Cynthia Bearens leaves her bubbling personality to Marcia Faulkner.
 Margie Cronin leaves the lunchroom seat that wasn't there to the Junior girl who's always late for lunch.
 Vera Graham and Myrna Short will their petiteness to Janice King and Lorraine Snow.
 Arline O'Neill leaves her ring—in one of the school sinks.
 The Seniors who took College Boards leave aspirin tablets to next year's "brains."
 The stock room boys leave—after three years of losing their recesses.
 Bob Rivaïs leaves a hard place to fill for next years president.
 The driver training classes leave the "car"—in one piece.
 Sally Sullivan leaves her knee socks to Judy Kerivan.
 Emilie Gustafson leaves—still full of giggles.
 Fuzzy D'Amore leaves his peculiar originality in art to the next unshaven artist in line.
 Warren Webb leaves his version of the encyclopedia to the reference library.
 Waldo Powell leaves an abundant supply of chewing gum to the old hall.
 Sylvia Griffin leaves her bacheloress days—in high school.
 The Chem students unanimously leave the exquisite fragrance of the Chem lab to Messrs. Miller and Kemp.
 Phyllis Ferrarini leaves her sweet smile to Paula Sylva.
 Ann "Fitzie" leaves Betty Center with the best sense of humor.
 Anne Bradley leaves her friendly manner with Claire Callahan.
 Bob Finlayson and Herbie Flynn leave with fond memories of Miss Harlow's business class.
 Grace Hefron leaves—with black and blue marks from field hockey.
 Betty Alosso leaves Mr. Lowder with a fear in his heart that she'll take a P. G. course.
 Phyllis Young leaves Paul Nagle.
 Sally Fiorenza leaves her supersonic typing speed to next year's whiz.
 John Higby leaves Mr. Einzig and the Gilbert and Sullivan Club to James Flanigan.
 Don Calabro leaves—still keeping his 2:00 a. m. curfew.
 Betty Torpey leaves Mr. Kotchin with a nervous breakdown.
 Last, but not least, Pat Zartarian leaves a wonderful job done on the Year Book of '53, as an example for the classes of the future to follow.
 We, the undersigned, leave our sincere sympathy for the authors of the next "Will."

Tempus fugit . . .

Associated Press—January 21, 1973. After twenty starving years, the Democrats finally returned to power again last night, as Robert Rivaïs, Democratic candidate from Massachusetts, was given the oath of office by Chief Justice, Lawrence Weissbach. Vice-President Ehrich Schreiter was sworn in by Senator Kevin Johnson. President Rivaïs was accompanied to and from the ceremony by Secret Service agents, Peter Flynn and Fred Surrette. Among those on the rostrum were Warren Webb, Secretary of State, and the most eligible bachelor in Washington; Juan Alonso, Ambassador to Spain; Robert D'Amore, Ambassador to Italy; and outgoing Republican President, William Alan Marino.

After the ceremony, the Presidential party viewed a six-hour parade. Some of the groups marching in the parade were the United States Army band, under the direction of Tom Wagner; a group of Army nurses, including Connie MacDonald, Priscilla Nix, Janet Richards, Joan Buckley, Lois Twitchell, and Rhea Cooney.

After the parade everyone retired to the White House for the ball. The reporters covering this ball were ace Associated Press reporters, Paul Pennampede, Charlie O'Neil, and Donald Brenton. The photographers, who were kept very busy, included Gordon Bretscher, Bill Copithorne, and Richard Worcester. Grinding the television cameras were Lawrence Teel, Russell Gallini, and Paul Doyle. Announcing were Hank Ameral, Kenny Anderson, and Charlie Lehan. Those behind the T. V. and Radio simulcast were "Red" Garside, technician; Phil Ahern, technical director; and Ronald Downing, producer. The ballroom was artistically done over for this gala affair by Ruth Morton, nationally famous designer.

Finally at 10 P. M. sharp, the long-awaited moment arrived. Spotlights, cranked by Larry Goldsmith and Bob Campbell, turned on the entrance as the new President Rivaïs and his lovely wife, the former Ann Bradley, entered. The First Lady was attired in a gorgeous blue tulle gown, covered with rhinestones, and dripping with pearls, created by fashion designer Claire-Marie (Hill), wife of professional football player Ralph Guanci. Her hairdo had been styled by Catherine Lucissano. The President was handsomely outfitted in a suit tailored by Ernest Marchi. Now that the President had arrived, we retired to the dining room, where dinner was served under the direction of Richard Bean, assisted by Bruce Lake, Richard Boudreau, and William Wettergreen. The first course, oxtail soup, brewed by David Bicknell, was followed by a French salad, mixed together by Edith Foye and Daniel Giurleo. The third course consisted of a choice between pheasant-under-glass prepared by Mary McGough, and Lobster Catchitore, a delicacy of Ronnie Caterinos. Angie DeLorenzo's spumoni and almonds finished a perfect meal. The waiters and waitresses were Jackie Sevene, Ralph Thatcher, Donald Norman, Carl Modene, Thomas Naughton, Jane Robinson, Pat Day, Janet DeCosta, Elizabeth Saganich, Janet Briand, Grace Hefron, and Jeanette Rackliffe.

After dinner President Rivaïs delivered his acceptance speech, which was broadcast all over the world, translated in French, German, Spanish, Italian, Greek, Armenian, Hungarian, and Lithuanian, by linguist Adrienne Goolkasian. Then we proceeded to the ballroom where we danced until dawn, and caught sight of people we hadn't seen before. We saw Paul

Nagle and Phyllis Young talking with Phyllis Aroian, winner of the Nobel Prize in Art. Also seen is Bob D'Apice, president of Dumont Colorvision, Inc.

Was there a doctor in the house? Of course—in fact, there were two—Doctor Thomas Cody, who has become nationally famous for his research in anti-biotics, and Doctor David Donnelly, who has done intensive experimentation in physio-therapy, with their radiant secretaries, Margie Cronin and Emilie Gustafson. Members of the incoming cabinet present were Robert Keohane, Secretary of Defense, accompanied by his pretty wife, Marilyn Kane; John Brown, Secretary of Treasury, with his wife, Connie Garland, Treasurer of the United States; Alan Strong, Secretary of Agriculture, with his wife Dorothy Perry; Donald Calabro, Secretary of the Interior, with his wife, Anne Coulombe; Chief Delegate to the United Nations, Dean Ockerbloom, accompanied by Alyce Borgstrom, also a delegate.

Over in the corner, Joe Fitzsimmons, famous engineer who designed the new wing for the White House, and Barbara Burns, musical comedy star, were discussing the affairs at Palomar Observatory with atomic scientist Pat Zartarian. Helen Black, Walter Gelinas, Joanne Darcy, and John Brescia were talking with Allen Roderick, who just came from a trip to Mars. Dancing together, we see that old-time favorite Guy Mitchell and his radiant wife, the former Joan Mahon. William Roper and Ed Harrington were discussing the affairs of state with businesswomen Judith Hansis and Margaret Heavey. Shaking hands with the President was the first lady United States Senator from Massachusetts, Barbara Poirier, and her two legal secretaries, Phyllis Ferrarini and Pat Coughlin. Doctor Fred Romley, Professor of Law at Harvard University, and Doctor William Bielinski, Professor of Mathematics, and their assistants, Millie Monahan and Mary Lou Hogan, were in the lounge with the business tycoon, Jimmy Doran, and his efficient secretary, Evelyn Celata. David Martens, pitcher of the Washington Senators (owned by Kerney Bolton) was dancing with Arline O'Neil, along side of Paul Welch and Vicky Bradford, editor of the New York Chronicle. Ricky Power was enjoying the company of Nancy Pollard, the former Boston Socialite. Raconteur Charles Johnson was keeping Ruth Grieve, Donald Fitzgerald and June Flannery entertained with some of his famous anecdotes.

Entertainment was provided by Mary Ann Mazzocca and her all-girl band of renown; Ernestine Cavicchi, Metropolitan opera star; Seth Ames, harmonica player; and John Higby, baritone. Ann Fitzgerald gave her impression of that old-time dance the jitterbug, which provided much amusement.

Soon Janet Campbell, nurse of the President's children, joined the party, accompanied by Eddie Blomberg. Eddie Aiken, coach of the Los Angeles Bulls' football team, and his wife, Sally Fiorenza, who are the proud parents of twelve sons, none of whom play football, we are sorry to say, were conversing with Allan Galpin and Kitty Keane.

Soon this memorable evening drew to a close, and we are happy to report that a lovely time was had by all.

For some of us this is the last year of school; for others it is a stepping-stone to a higher education. As we, the Year Book Committee, have compiled this book we have tried to set forth a record of each student's accomplishments throughout his high school career. We shall all have the pleasure, in later years, of recalling the friendships and good times we have enjoyed during our last three years. It is to preserve these memories that we, the Year Book Committee, have produced this book.

The Chronicle had a very busy and successful year, high lighted by issues dedicated to each of the three classes and by the record poll presented in the January issue.

The editorial staff was aided by a group of talented contributors, whose interesting stories and articles, plus the competently reported sports, and amusing excerpts from exchange papers, produced an informative and enjoyable Chronicle. Those indispensables, the typists, worked hard and faithfully. The posters put up by the publicity department attracted a lot of attention. The advertising was efficiently and successfully handled, as was the bookkeeping and billing end of the business. The girls who showed up every month to fold and deliver the papers deserved a lot of appreciation, too.

Mr. Sampson supervised the literary departments of the paper, and Mr. Campbell was faculty adviser for the business manager.

"Rec" Committee

Chairman, MARILYN MILLER

Most of us rhythmically-inclined Seniors have spent many a wonderful Friday night at the "Rec" thanks to the "Rec" Committee and its faculty adviser, Mr. Johnson, to whom we owe deepest appreciation.

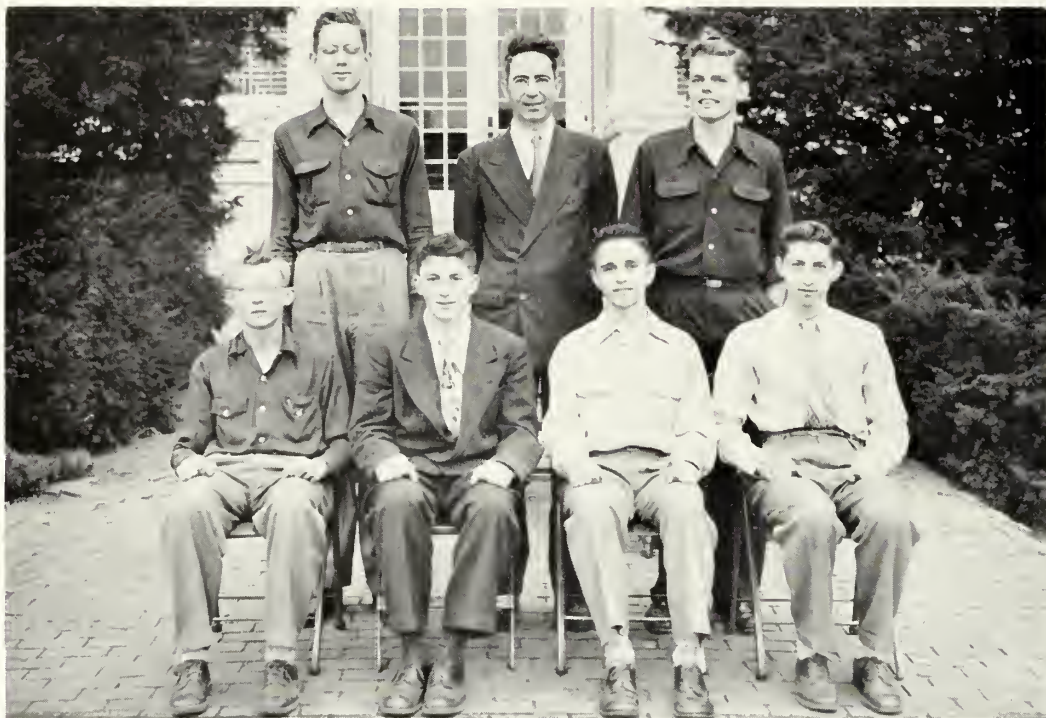

For over a year the Record Hops, with Disc Jockey Ed Penney playing the latest records have become very popular with most of us. We shall never forget the pleasant evenings spent at the "Rec," either leaning on the coke bar or trying out new steps with the aid of the talented "Rec" band.

We express our sincerest thanks to Marilyn Miller and also the Arlington Auxiliary Police for getting the "Rec" off to a successful start. Without their help the "Rec" never would have gained the popularity it has this past year.

Chess Club

The Chess Club is composed of a group of students whose purpose is to increase their skill at the game. The members meet once a week under the expert guidance of Mr. Sampson.

Each member brings his own equipment and joins the group on Friday afternoons. The club is one of the many which show the diversified interests of the students and the extra hours the teachers are willing to spend in order to bring out and advance their students' interests.

Student Council

<i>President</i>	WILLIAM MARINO
<i>Vice-President</i>	MARCIA FAULKNER
<i>Secretary</i>	BETTY CENTER
<i>Treasurer</i>	PHYLLIS DALE

The Student Council, organized to promote better relations between the faculty and the students and to uphold the good name of Arlington High School, is elected by its fellow students. Each year ten seniors, six juniors, four sophomores, and one member of the vocational school are elected as representatives by their respective classes.

The tireless efforts of the Council in the management and the promotion of the Junior and Senior Proms make these affairs social highlights of high school days.

Members of the Council act as ushers at Open House where their cooperation and courtesy has been commended. They have also assumed the responsibility for the care and appearance of the Trophy Case which is the pride of our high school.

This year the Student Council sponsored the highly-entertaining Student-Faculty basketball game. It also promoted during the year the sale of decorative book covers and of multi-colored paper shakers used by the students at the football games.

This year, for the first time at Arlington, the Council was host to the State Convention of Student Councils.

The members of the Student Council have given freely of their time and efforts and have tried at all times to promote cooperation among the students and faculty at Arlington High School.

The Girls' Glee Club has been the source of much entertainment these past three years. The girls have provided amusement not only for others but also for themselves. These Arlington High song birds have attended many musical festivities. Three years ago they participated in the musical competition at Marblehead. Last year the competition was held at Everett but Arlington was unable to attend. They have also entertained the Arlington Women's Club. This last year the girls of the Glee Club have as usual lent their full support and talent to the various musical activities.

Gilbert and Sullivan Club

OFFICERS

President BARBARA BURNS
Vice-President BETTY CENTER
Secretary ANGELA DELORENZO

The Gilbert and Sullivan Club, one of the largest and best-loved in the school, has enjoyed three years of outstanding productions. The first was the 1951 "Pirates of Penzance," the second was the 1952 "Blue Star Revue," and the third was the 1953 "Pinafore." The patience and guidance of their director, Mr. L. Hassler Einzig, has made the Gilbert and Sullivan performances possible. Each production has given experience and a wonderful time to all connected with it.

Subjects from "Homework—Yes or No" to "Is the United Nations the Hope of the World?" are analyzed at the Discussion Club. It is an unparalleled opportunity to keep up to date with the happenings in the world today. At the same time we have a chance to air views about controversial subjects that concern us. The meetings hold both pleasure and profit for the members of the club who are under the able direction of Miss Wakefield. Although the club is one of the smaller ones of the school, it offers many benefits.

Latin Club

The Latin Club consists of conscientious, Roman-minded senior Latin students and a wonderful faculty adviser. At each meeting various aspects of life in ancient Rome are discussed. Fascinating stories on mythology are presented. Early in the year a visit to the Museum of Fine Arts proved profitable to all. Just tribute was paid to noble Virgil on his birthday with appropriate celebration. *Consul primus* presides over meetings in proper Roman fashion, lacking only a toga. *Consul secundus*, also *quaestor*, collects monthly taxes. *Scriba*, with scroll in hand, records all happenings. *Socii ludorum* diligently plan events with suitable Roman flavor. The main festivity at the end of the year, a Roman banquet, awaited anxiously by each one, is conducted in true Roman style. All activities help to increase appreciation of Roman culture and the Latin language. Besides furnishing some great fun, the Latin Club has provided some exceedingly valuable knowledge which will inevitably be of even greater satisfaction and help throughout forthcoming years.

The Lunchroom

The bell just rang, we all ran wild
As through the lunchroom doors we piled;
The line soon formed, the trays were dropped—
Just when the floors were cleanly mopped.

The lunchroom boy is our best friend
It's just on him we all depend
He's always there, and standing by
If we're too slow, we get the "eye."

The noise does rise, the gossip flies,
A "Birthday" song roars from the sides,
The minutes fly, it's time to leave
Into our arms the books we heave.
The floor's messed up, they'll need more brooms
To help clean out the "Old Lunchroom."

The change is counted, the boys are through—
A job well done—hats off to you!

Orchestra

The orchestra as an organization offers varied musical opportunity to the youth of our school. The members of the orchestra have enjoyed a very successful and progressive year because of the fine cooperation of the members and excellent leadership of their director, Mr. L. Hassler Einzig.

With a repertoire of both light and classical music, the orchestra is able to satisfy all tastes. This year Arlington and Winchester combined their high school orchestras for an interesting music assembly which was held at both schools. Between the acts of the Dramatic Club play, the audience was entertained by the orchestra which played a group of well-known ballads.

Gilbert and Sullivan shows would not be on the agenda if it were not for the capable and willing orchestra.

Modern Dance Club

Directed by MISS ANN WILLARD

The school year 1953 recorded an outstanding achievement for this comparatively new group. The Modern Dance group offered its first assembly performance at Arlington High School at the Annual Christmas assembly. As a result of this successful premiere, the group received several invitations to perform at a later date. *Santa's Toy Workshop*, an appropriate seasonal pantomime, featured Myrna Short as Santa's helper; teddy bears, wooden soldiers, ballerina and clowns were personified by Phyllis Ferrarini, Marilyn Kane, Lois Twitchell, Nancy Pollard, Angela Pennio, Judy McLaughlin, Arlene Norris, Berjig Javian and Eleanor Keefe. Miriam Hamm accompanied the group at the piano.

The originality and versatility of the director, Miss Willard, contributed immensely to the popularity of the group. Its primary purpose is to develop a sense of rhythm and poise, which results in improving the girls' dancing ability. A number of good times were enjoyed at the close of each meeting learning to tango and rhumba. This year's activities promise future success for the Modern Dance Club.

Dramatic Club

President RICHARD BEAN
Vice-President ALYCE BORGSTROM
Secretary JEAN CARDULLO
Treasurer PATRICIA COUGHLIN

What fun the last three years have been for the Dramatic Club! Two years ago "Meet Me In St. Louis," by Sally Benson, was presented. It was an amusing comedy, full of witty and unexpected remarks. This production proved to be a great success both dramatically and financially.

Last year the annual public play was "Meet Corliss Archer," by F. Hugh Herbert, which is a light-hearted comedy of an every day teen-ager during one of the complications which arise for youth.

As the Year Book goes to press, the Dramatic Club is enthusiastically working on this year's play, "Our Miss Brooks," by R. J. Mann. Delightful, clever and winning will best describe this production.

To climax this eventful year in the club, Arlington will again enter the New England Drama Festival as it has for many years. Our presentations for 1950 and 1951 were "The Rising of the Moon," and a scene from Shaw's "Pygmalion." We feel sure that Arlington will come through successfully this year as always. The Dramatic Club will end its year with a beach party as they did last year. The members will depart this year, all taking happy remembrances of three very prosperous years. With so many accomplishments the club certainly has fulfilled its purpose.

A. H. S. Reviewers

The newest addition to A. H. S. is an enthusiastic group called the Arlington High School Reviewers. This year the meetings were held bi-weekly at the Robbins Library. Made up of students interested in the newest and best in books, this club is a combination of talk, laughter, cokes and cookies spiced with the guidance of Mrs. Margaret Heaps and Mrs. Signe Hynson.

Each meeting is conducted by a selected chairman and two reviews are given and discussed. These reports are acceptable as credit by the English Department. Booklets are published at intervals containing condensed reports of books the group recommended to their contemporaries.

We wish the newest addition to the A. H. S. "family" much success in the coming years.

The Band

The chief purpose of the Arlington High School Band is to provide entertainment at various school functions. At the football games in their new uniforms the band members accompanied the music with many intricate and clever figures which they rehearsed at weekly meetings.

The band has also assisted both the football and the hockey teams by playing at different rallies which helped a great deal in promoting the school spirit.

Each year the high school band has competed successfully in the state music festivals.

Certainly the band could never operate so capably if it were not for the hard work of Mr. Walter Russell, the director.

The Cheerleaders

Through rain and shine and freezing weather you could always see the red and grey colored figures at all the sports events. With their attractive uniforms the group never missed an A. H. S. game and always gave their loyal support to the team.

In September, the cheerleaders chose Marlene Zammarchi and Sheila Moore as Co-Captains. Under their able leadership the girls inspired the spectators with their pep and enthusiasm at all times. They planned and carried out several rallies which were very successful in arousing the spirit of the crowd and urging on the team. Throughout the season their efforts won many compliments for a job well-done.

The Red and Grey eleven, facing one of the toughest Class "A" schedules possible, had a season of ups and downs but came through with a record of which it need not be ashamed.

They opened the season against a strong Somerville team, fresh from a victory the previous week-end, and with "first game jitters" gone. The Toz-men came from behind twice and held what is considered the best backfield in the state to 13 points while scoring 13. With a game's experience they came up from the floor again the following week-end to beat a surprising Cambridge Latin team 13-7.

Waltham proved too much for the Spy-Ponders, as did Medford the following week-end, although the game was deadlocked 6-6 at the half. After these two losses the team rebounded against Newton and Quincy on successive Saturdays by scores of 13-7 and 12-6 respectively.

"Two critical moments."

Powerhouse Weymouth, after a scoreless first half, showed its full strength and emerged the winner after an action-packed second half. The next week-end, plagued by injuries and with a weak "bench," Arlington bowed to unbeatable Lowell, Class "A" champs, before their home crowd at Lowell Stadium.

On Thanksgiving Day, going into the Turkey Day tilt with a little too much confidence because of Melrose's poor seasonal record, the team, on a strange and muddy field, was edged 10-7. This was considered the upset of the schoolboy season with luckless Arlington facing an inspired Melrose eleven.

Leading the iron men through the year was Captain Ed Aiken. Ends were Aiken, Tom Doyle, and Bob Keating; tackle spots were nailed down by Ed Blomberg and Jim Doran; and able guards were Paul Welch and John Brown. The center job was filled by Ralph Guanci; while in the backfield were "Moose" Muello, "Ricky" Power, Don Dolon and "Butch" Seagar.

Despite their 3-5-1 record, the boys had a fine team which showed great sportsmanship and never gave up until the final whistle. With a few breaks and a stronger supporting cast on the bench, (nearly all of the team played defense as well as offense), the record could easily have been reversed. Captain Aiken and Coach "Toz" deserve much credit for their excellent leadership all during the season.

Manager. JAMES TERRASI

This fall our cross country team, under the able instruction of "Doc" McCarty and the leadership of Captain Billy Labelle, won the majority of their meets. "Doc" is noted for his superb assistance and direction over the past years. The team defeated Belmont, Watertown, and Wakefield with Billy Labelle top scorer followed by his teammates, Seth Ames, Dave Bicknell, Art Manley, Bob McSorley, and Kenny Wilson.

Although the team's defeats kept it from winning the league championship this year, we are confident that with new prospects and "Doc's" fine instruction the team of '53 will be successful.

Back Row: R. Neal, R. Hall, D. Surrette, F. Bryant, J. Ashton.

Indoor Track

As usual, "Doc" McCarty has turned out a well-balanced and winning team. "Doc's boys" are a credit to Arlington High because "Doc" turns out good citizens as well as track stars.

"Doc" was faced with the problem of rebuilding his squad this year due to the loss of his big stars by graduation. He took a group of boys who had been behind those stars and taught and trained them to win. The boys were equal to the task and once again "Doc" had a well-rounded winning team.

The boys on track give all they have not only for the school, but for "Doc," whom they respect and admire. Win or lose, "Doc" has taught "his boys" sportsmanship at all times. Arlington High has, as usual, a track team of which it can well be proud. We all join in saying to "Doc" and to the track boys, "Well done!"

Golf

The Arlington High School golf team, a member of the Central Division of the Greater Boston League, regularly competes with teams from Belmont, Cambridge Latin, Lexington, and Rindge High Schools. Under the supervision of its coach, Mr. George Lowder, the team won in its section last season. The team then went into the Greater Boston League finals but was defeated by Reading and Newton.

Winchester Country Club, Arlington's home course, is one of the best golf courses in the state. Through the courtesy of the country club, the team is allowed to practice on certain days during the week. During these practice sessions, the coach gives each player individual instruction on how to improve his game. The members of the golf team have been fortunate enough to play at some of the better golf courses in Massachusetts, such as Brae Burn, Reading, and Oakley Country Clubs. This year the members of the team have enjoyed a successful season.

Boys' Hockey

The hockey team, led by Ed Aiken, has won six out of its first seven games. The team goes into the play-offs leading the G. B. I. League by two points.

In the first game it defeated Stoneham, last year's league champs, 3-0. Then the team went on to beat Melrose 4-1, Belmont 2-1, Medford 3-0, Newton 3-2, and Cambridge Latin 6-2. The only loss came after the Newton

game as the defensive-minded Rindge team beat Arlington 2-1.

At the time of writing, Coach Ed Burns has Larry Weissbach centering the first line, with Ed Aiken and Charles O'Neil on the wings. The second line has Phil Leary centering for Don Dolan and Don Cahalin. Alvin Pitts, who played goalie last year when he was only a sophomore, is back in the nets this year and doing well. In front of him on defense are Paul Prindle and Jack Cadagan. Allan Galpin and Ed Walsh are able substitutes for defense. With these men on the line, the team hopes to finish off a highly successful season.

The Girls' Athletic Association is one of Arlington High School's leading clubs. Under the direction of Miss McCarty and Miss Willard the club, composed of over one hundred members, has had many parties, games and activities. Those which are most thoroughly enjoyed are the initiation and the party at Crane's beach.

The initiation, one of the first activities of the year, required all new members to wear their hair pinned down, no make-up, one nylon and one sock, and a name tag during the school day. If caught talking to boys they were punished for it. Everyone had a wonderful time and the girls were all good sports. The refreshments, cider and doughnuts, were greatly enjoyed by the girls. Among other activities were a field day and a Christmas party. A play-day and a dance are being planned for the months to follow.

Girls' Basketball

The girls' basketball team was excellent this year, as usual. Under the instruction of Miss Edgett, the well-liked new coach, smooth teamwork was developed, and every girl was given a fair chance to show her skill. Captain Sheila Moore and Janet Armstrong, co-captains, led the team in its exciting, hard-played games with Somerville, Winchester, Malden, Lexington, Concord, Belmont, Medford, and Cambridge.

Outstanding players included, among the forwards, Kay Thorpe, Joyce Bertrand, Sheila Moore, and Janet Armstrong; among the guards, Claire Hill, Marlene Zammarchi, Miriam Hamm, and Patricia Zartarian.

Future teams will have a hard time equalling the team of 1953 in either spirit or ability.

The powerful opponents that they have met, many of which have won championships at Longwood, were Belmont, Winchester, Melrose, Malden, Watertown, Concord and Lexington.

With many of the new sophomores preparing for the spring season, we are expecting a favorable year. Best wishes for a successful season.

Field Hockey

A. H. S. may well be proud of their girls' athletic teams. Continuing its outstanding record, the girls of '53 completed the field hockey season with a record of four wins, two losses and one tie. This record exceeded that of every opponent except one. Contributing to this success was Alice McMahon, high scorer, with five goals. Outstanding players during the three years were Carole Collins, Miriam Hamm, Patricia Zartarian and Sheila Moore, an unusual situation since all four are defensive players.

Continuing its custom, the team participated in the Annual Concord Play Day, where the girls defeated Abbot, tied Buckingham, and lost to Winchester. Credit can be attributed to their tireless coach, Miss McCarty, who said, "They were a cooperative team, full of spirit!"

Winners of Trophies

May take justifiable pride in their accomplishments

Sometimes the award takes the form of a tangible prize—perhaps a loving cup or statuette.

At other times it may be less tangible but just as real and may be in the form of customer loyalty expressed year after year. Such an award is won only by diligence, honesty and continual striving to render a better service and a better product with each new day.

We are not a little proud at having been privileged to create Annuals for Arlington High School for the past seventeen consecutive years. A privilege for which we say an humble "Thank you."
